Business Statistics and Analysis

This specialization provides an understanding of essential spreadsheet functions to organize business data, and develop descriptive, graphical measures of it. Students learn probability concepts, grasping the notion of uncertainty and its importance in business applications. The specialization also introduces important statistical distributions, their application using spreadsheets, hypothesis testing & confidence interval estimation and its application to decision making in various business contexts. The Linear Regression Model is introduced using spreadsheets, and applied to decision making. The specialization culminates with a peer-assessed capstone project which calls upon participants to use skills and knowledge gained throughout the courses and apply it to an actual business problem.

Dear Meng Hui,

SCHOLARSHIP AND ADMISSION TO SINGAPORE UNIVERSITY OF TECHNOLOGY AND DESIGN

Congratulations! You have been selected for admission to the inaugural undergraduate programme at Singapore University of Technology and Design (SUTD) which commences on 23 April 2012. We are also pleased to inform you that you have been awarded the prestigious Singapore University of Technology and Design Scholarship which covers your yearly tuition fees at SUTD for the undergraduate programme.

You are now challenged with making the very important decision of selecting a university. SUTD recognises the importance of your decision and the commitment it entails for each of us. I believe that SUTD, with its collaborator, the Massachusetts Institute of Technology (MIT) and Zhejiang University, offers a world class education built upon a unique interdisciplinary curriculum, hands-on experience with cutting edge research, exceptional facilities, opportunities for internships, overseas student exchanges, entrepreneurial activities, and student organisations that will prepare you for an exciting career in industry, government, or continuing your education in graduate school.

Beside the superb educational experience, SUTD promotes individual growth and development. I, together with the senior administration, faculty, and staff of SUTD, are deeply committed to ensuring that during your studies at SUTD, you will develop academically and personally.

I sincerely hope you will be joining us at SUTD in April 2012, as we begin the journey together to address the challenges and issues of today and tomorrow to impact the world. Please accept this offer through the joint acceptance portal before June 2010.

My very best wishes for a successful university experience.

Sincerely yours,

Thomas L. Magnanti
